Sam Messina, Town Supervisor
Bethlehem Town Hall
445 Delaware Avenue
Delmar, NY 12054

Monday, February 07, 2011

Dear Mr. Messina,

We are writing this letter to express our concern for the future of the Normanside Country Club property. This evening, a neighborhood group of concerned citizens met to discuss what actions we might take to ensure the preservation of the Normanside property as either a golf course or natural recreational space. We understand the Town of Bethlehem shares our concerns, and we support any action possible to protect this valuable and precious natural resource.

Our first step is to submit a petition to the town before the close of business Friday, February 11, 2011 demonstrating the level of concern that exists in the immediate neighborhood. Eventually, we hope to acquire the signatures of many more concerned Bethlehem residents.

In addition, we would like to request a meeting with the Town Supervisor and/or members of the Town Board within a week of the date of this letter to discuss our concerns and options. From all we have understood, the timing of this process is very tight.

Respectfully submitted,
